A promotional banner for the video game Hades. The title "HADES" is written in a stylized, red, serif font with a lightning bolt effect on the letter 'A'. Below the title is a large, detailed illustration of the character Hades, the god of the underworld, wearing a dark, ornate suit with a red sash and a crown. He is holding a large, glowing sword. The background is dark with some green and red particles. In the bottom left corner, there is a section titled "THE V1.0 LAUNCH UPDATE" with a list of features. In the bottom right corner, there are three small screenshots from the game: one showing a character in a pink and purple environment, one showing a character in a snowy landscape, and one showing a character in a dark, industrial-looking environment.

HADES
